

BRADWOLFF
PROJECTS

presents

annabel howland
durn that road

opening **sunday 20th january** 16.00 - 18.00 hrs
exhibition runs until 17th february 2019

public program **sunday 10th february** 15.00 - 17.00 hrs
lecture by **alena alexandrova**, cultural theorist
q&a with **annabel howland**

For her exhibition at Bradwolff Projects, Annabel Howland has developed a multimedia installation that weaves a speculative web around ecology, finance and art. This work is based on her research into a road through a tropical rainforest and a dictionary of a minority language spoken at the end of this road.
